Today's Speaker is Kelly Olds CEO of the San Joaquin County Fair

I began as CEO of the SJC Fair in January of 2014. Prior to that time I had retired from the private sector business community.

My last assignment prior to retirement was as CEO of Provisions Food Company in Visalia California. We processed milk from our dairy farms into yogurts, cream cheese, non-fat dry milk and a variety of milk protein concentrates which were sold worldwide.

A message from President Lyn

A small group of us wandered up to Galt to the Cal-Waste Recovery Systems facility last Friday. It was very worthwhile and there was lots of information. Recyclables and garbage are rather complicated. We learned that most of our recyclable material is shipped to China, used in manufacturing, and shipped back to us as product. Mary Beth gave us a tour and was asked to come talk to the club in the future. Garbage is not for sissies!

It is my pleasure to report that we were able to have 4 areas submitted for the District Club Awards: Communications Intra-Club, Community Service, Youth, and Club Service. Now we wait to hear 'and the winner is...Stockton Pacific' at the District Conference. Thank you to Chuck Wright, Don Richter, Walt Wolterstorff, and the club President for their work on getting these questions completed. None of it would matter without the hard work of all club members who volunteer to ring bells, read, shop, wrap gifts, take the pictures, and so many other things.

The Board meets at 11:00 a.m. on Friday, April 13, at West Lane Bowl. We meet a week later as we will be on another fabulous vocational tour April 6. The meeting is open to all members.

Only five more club meetings until the end of my term...but who's counting.

**YIRS,
President Lyn**
