*Today's Speaker is Jan de la Cruz  
from UOP Hearing & Balance Center*

Jan de la Cruz is an Audiology Resident at the UOP Hearing & Balance Center and a 3rd year Doctor of Audiology (Au.D.) student in the inaugural class at UOP's Au.D. program in San Francisco. Jan is a musician by trade and applies his knowledge of sound, audio engineering and technology as an audiologist. After graduating Jan plans on staying in the San Joaquin County

and hopes to work with hearing device manufacturers to develop new technology and eventually own a private practice. My presentation is titled "Hearing and Communication" and I will be talking about hearing loss, hearing aids and the services provided at UOP.

**A message from President Lyn**

Our second fundraiser, Pub Night, is behind us. Special thanks for those who donated baskets for the raffle and those who bought raffle tickets. This year it was a lot of work for me, personally, helping with setting up, cooking and working the event. Alice and Dolce were a BIG help with prep work (making coleslaw, fixing tartar sauce, filling vinegar and catsup bottles) along with their work running the raffle. Rick also missed some of the fun as the designated ticket taker. We'll hear more from him on how well we did. I'm also waiting to hear how our Interact club made out on tips.

Looking forward, we have the all City Rotary Read-In a week from Thursday, and the area speech contest at our meeting on Friday, February 23. We need all members to be present at the February 23 meeting to support the contestants.

At our Board meeting last week, we discussed the District Awards. Our club has not participated the last two years in the District Awards. Together we are working on submitting in at least three categories. Our club has been active and we need to let other clubs know the work that we do. With the Board's help, we went over the International Presidential Citation award criteria, and our club is within one or two requirements of earning the Presidential Citation! You will be called on to do one or two service projects to help our club fulfill the requirements for this award. Stay tuned – we have until the first of June.

YIRS,  
President Lyn

**Building peace through Rotary**

According to the UN High Commissioner for Refugees, at the end of 2016, 65.6 million people had been displaced by conflict, violence, or persecution. Rotary members refuse to accept conflict as a way of life and are committed to pursuing projects that address its underlying causes, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.

Rotary projects often include training that fosters understanding and equips communities with skills for resolving conflicts. During February, Rotary's Peace and Conflict Prevention/Resolution Month, you can build peace and mitigate conflict.

ALERT: We need everyone's participation in the weekly Raffle. Please pick an open date and send a note to Dick Ringness, and Nancy Richter. Also, write on the back of your hand your date for bringing something to raffle at our meeting.

Thanks for your participation!!
