Today's Speaker is Rich Cutler on Amateur Radio

In his business life Rich is an Investment Advisor Representative and a Branch Office Supervisor with Transamerica Financial Advisors. Inc.

But today he'll be talking about his Amateur Radio (Ham Radio) involvement. Rich has been involved in Ham Radio for 47 years, since his teen years. He has a "tower farm" on his property on the foothills in Burson. The location is ideal for Radio contesting which has earned him a lot of awards in domestic and worldwide Radio contesting (he'll tell you more about what the contesting entails).

He's a member of the Northern California Contest Club and the Mother Lode DX/Contest Club.

Is it the TRUTH?

Is it FAIR to all concerned?

Rotary clubs fight opioid epidemic

After months of doing research and consulting with health officials, substance abuse experts, educators, and media professionals, New York Rotary members put together a plan to fight a major U.S. problem: opioid addiction. But they needed an international partner for their Rotary Foundation global grant project. Six months of searching connected them with the Rotary Club of Tijuana Oeste, Baja California, Mexico. Clubs in Canada and India also agreed to support the project with funds.
