Council on legislation to review changes to RI policies

Rotary members from all over the world will gather in Chicago 14-18 April to consider changes to the Constitutional documents that guide Rotary International and its member clubs.

The Council on Legislation meets every three years and is an essential part of Rotary's governance. The representatives — one from each Rotary district — review and vote on proposals that seek to change Rotary's constitutional documents.

This year, the council will consider more than 100 proposals, including one new item and three recently amended motions from the Rotary International Board of Directors:

A message from President Rick

BIG THANK YOU TO MOOSE, FOR THE GREAT ST. PATRICK'S DAY DINNER!!!

For those of you whom did not attend you missed a great social!

This week I would like to have a Club Assembly, please attend and bring all your good ideas and thoughts.

WHAT WOULD YOU LIKE TO SEE THE CULB ACHIVE IN 2019/2020

THE YEAR OF CONNECTING THE WORLD! I would like any directors who would like to talk about current projects and current activities to present a small report.

Because of the requirement for the International projects the spending plan for the club needs to be into the Grants community by June 25th. WE need an open discussion on what type of participation we would like to do as a club.

The community service project; are we going to continue to support the Joan Richards Learning Center for more fundraising and another project for the Learning Center?

Or Does someone else have a project they would like started, please could this be a local community service project.

I would like to know if the Club would like to continue with the Dictionary/Thesaurus that are given to the Schools for the 3rd & 6th graders.

Does anyone have some FUNdraising ideas???

Don't forget to support the Windmill Ranch Fund Raiser.

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
