## A message from President Rick

Update for last week:

A great job was done by Jeff, organizing our vocational tour to August Elementary school library. We got to see where all our hard work collecting books, having our speakers signing them and then donating to August school library. I was able to recognize Roger and Sharon Roman for their great effort in donating books to the school library.

A great time was had at the Stockton heat Hockey game, good fellowship and a great game to watch. It was great to see Mr. bear go over the fence; Thanks Alice

Great to know that we're having the Interact Students participate in our speech contest thank you, Don for organizing this for us.

The District training on Saturday January 26th it is a great way to learn more about Rotary.

Please invite a Guest to Rotary.

Yours in Rotary  
Pres. Rick

### [A year after Hurricane Maria tore through Puerto Rico, local Rotary members continue to rebuild homes and lives](#)

Eladio Montalvo faced a stark choice: risk drowning in his one-story home or climb through a window into the house next door. It was under construction but had a second floor where he could escape the rising floodwaters. He boosted his dog through and scrambled in after him. The two huddled inside an upstairs bathroom for 22 hours while Hurricane Maria raged over Puerto Rico. With 155 mph winds and torrential rains, Maria was the strongest hurricane to hit the island in more than 80 years.

After the storm, Montalvo went out to see what was left of the home he had lived in since 1958. The walls were standing, but the water inside had risen chest-high. Everything was destroyed. Without any family nearby, he had nowhere to go. He moved into his car.

“But after the storm came the calm,” he says. “Good people came.”

Faustino Rivera pats Montalvo affectionately on the shoulder. It's September 2018, a year since Hurricane Maria, and Rivera and several other members of the Rotary Club of Mayagüez have stopped by to visit. Montalvo lives in a fishing town called El Maní outside the city of Mayagüez on the island's west coast. He invites his guests inside to see the progress he has made adding a shower to his bathroom. There's a pile of tiles that he plans to lay soon, and he has started painting the walls a light shade of blue. The home is neatly but sparsely furnished: a bed, a TV, and a few plastic bins, including one labeled *camisas* that has shirts and shorts tucked inside.

Hey Fellow Members...Researchers have found that 92.7% of all adults like to participate in raffles. That means most of you like to help our club by being a participant in our weekly INCREDIBLE RAFFLE. Nancy Richter is our Raffle Queen and always has sheets of Raffle tickets for you at fabulous savings. A club our size means we all pitch in a couple of times each Rotary year with a prize for the raffle. The Reverend has a sign-up sheet that has been blessed. Sign up TODAY!
