*Today's Speaker is June R. Wallace
from Donor Network West*

June is the devoted mother of four children, Malika McGee, Shavonne Wallace, Faris Wallace and Jacob Wallace, Jr. When June is not out and about educating the community, you will find her enjoying her family and her 8 grandsons and two granddaughters.

June serves as the Central Valley Community Development Liaison for Donor Network West. She has worked for Donor Network West for 17 years promoting the Gift of Life, which is made possible through organ and tissue donation.

June determined that she had to "spread the word" in all of the communities not only about the importance of organ and tissue donation, but also about the importance of healthy living and early detection of chronic diseases.

A message from President Donna

*Thank you for the opportunity to
serve as your President this year.*

I hope everyone had a wonderful Easter and found a lot of eggs that the Easter Bunny laid. Out of curiosity, I discovered that the Easter Bunny originated from the term "Eostre", the Anglo-Saxon Goddess of Spring. Eostre had a hare for her companion and the hare symbolizes fertility and rebirth. Hares, also known as rabbits, have been associated with spring since ancient times.

Have you purchased your Windmill Ranch tickets yet? The Windmill Ranch fundraiser is coming up on May 6. Let's see how many tickets we can sell to make this a successful fundraiser. Let's bring our friends and family to this fun event. Don't forget to sign up to bring a raffle basket. It's exciting having a partner in Habitat for Humanity. Janice is working hard to make this a fun event.

Don't forget to register for the District Conference coming up. It will be in Lake Tahoe on April 28 thru April 30. We will be dark next week because of this.

Let's keep Babe and Dick Ennis in our thoughts and prayers since Babe is having serious health issues. If you haven't visited Babe, call first and keep your visit short. We miss you both.

Yours in Rotary Service,

Donna

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

June has accomplished her goal through hard work, diligent studying and her ability to form coalitions and partnerships! The strength of these trusted relationships has afforded June unheard of access to pivotal faith and key community influencers. June recently received an award from Congress Woman Barbara Lee in recognition for her dedication and efforts to promote organ and tissue donation in our communities. In 2014, she received an award from the San Francisco Links, Incorporated in recognition of Dedicated Leadership and Commitment as Chairperson of the "Choose To Live" Screenings at the Annual San Francisco Baptist Ministries Conference and Adjacent Cities.

In 2012, the gift of organ and tissue donation touched June and her family in a very profound way, when her twenty four year old young nephew and beloved husband of 35 years, Jacob Wallace Sr., both became donors - saving countless lives.
