The Greater Stockton Chamber of Commerce speaks for thousands of local business people. For over 118 years the Chamber has been the authoritative voice in business matters throughout the Central Valley. The Greater Stockton Chamber of Commerce has developed many different programs that help our members succeed in and out of the office. Some programs are designed to directly help members with their day to day operations and marketing efforts. Others act as business advocates and watchdogs; they work to improve the local business environment for the future of all Chamber members. The mission of the Greater Stockton Chamber of Commerce is to aggressively develop and promote an economically vibrant business community.

Is it the TRUTH?

Additional Message from President Rick:

District 5220 of Rotary International is currently seeking qualified candidates for its District Scholar program for students planning to do graduate work during the 2019-20 school year at the Master’s, Doctorate or Post-Doctorate degree level. The application deadline is Friday, February 15th, 2019. District 5220 covers the area from Madera in the south, to Galt in the north, from Tracy in the west, to Yosemite in the east. The District Scholar application process is open to current college seniors and graduate students who meet one of the following three criteria:

- Students attending a university within District 5220
- Students whose permanent address is within District 5220 but attending a university outside District 5220 (including internationally)
- Students from another country sponsored by a club in District 5220 but attending a university within District 5220. Students can come from any subject discipline; however, preference will be given to those study areas which focus on affecting a large number of individuals and which fit into one of The Rotary Foundation’s Areas of Focus; 1) Peace and Conflict Prevention/Resolution, 2) Disease Prevention and Treatment, 3) Water and Sanitation, 4) Maternal and Child Health, 5) Basic Education and Literacy, and 6) Economic and Community Development. There will be one successful candidate chosen by the District 5220 Scholarship Committee and they will receive a \$15,000 scholarship, a sum which is then eligible for matching funds through a \$15,000 Global Grant from The Rotary Foundation, if criteria for a Global Scholar are met (only if the successful candidate will be studying internationally).

Hey Fellow Members...Researchers have found that 92.7% of all adults like to participate in raffles. That means most of you like to help our club by being a participant in our weekly INCREDIBLE RAFFLE. Nancy Richter is our Raffle Queen and always has sheets of Raffle tickets for you at fabulous savings. A club our size means we all pitch in a couple of times each Rotary year with a prize for the raffle. The Reverend has a sign-up sheet that has been blessed. Sign up TODAY!
