A message from President Lyn

As you read this, I will be preparing to go on assignment in Honolulu. Most of you have heard that I'm filling in for a colleague at St. Clement's Episcopal. By the time you gather on Friday and VP Richter rings the bell, Dave and I will be settling into our home away from home for 4 weeks. I'm looking forward to visiting a couple of the clubs on Oahu to see how things are done island style. The one thing for sure, is that I will be among family. Rotary has taught me that.

Reminder that your dues are payable now. You can either pay for half the year, \$115 or for the full year, \$230. I hope all of you took time to look at your invoice sent out by Geoff Pate and try to catch up on any balance you might owe. Geoff graciously filled in for one extra month, but it's time for him to sit back and just enjoy a meeting.

Announcements: The Board meeting is this coming Tuesday, August 1, at 5:30 p.m. Thank you Don for taking over so I could take this temp job. Today is the last day to sign-up for the District Assembly (and have the club pay for your registration). The August 12 meeting will be beneficial to those interested in membership, the foundation, and making our good club even better. Have a great meeting.

Aloha!

Yours In Rotary Service,

Lyn Morlan

At the Rotary International Convention, global leaders and key donors affirm their commitment to ending polio

With polio on the brink of eradication, nations from around the world and key donors pledged more than \$1 billion on Monday to energize the global fight to end the paralyzing disease.

Bill Gates, co-chair of The Bill & Melinda Gates Foundation, and RI President John Germ share the recent news about their partnership in the fight to eradicate polio.

The historic pledges of new funds at the Rotary Convention in Atlanta, Georgia, USA, will go toward drastically shrinking the \$1.5 billion gap in the funding that the partners of the Global Polio Eradication Initiative say is needed to reduce polio cases to zero worldwide. Just five cases have been reported this year, the lowest number in history.

Bill Gates, co-chair of the Bill & Melinda Gates Foundation, said ending polio would be one of the world's greatest achievements.

"Polio is the thing I spend the most time on. Everyday I look at my email to see if we have a new case," Gates said. "I'm very inspired to be part of this. I'm also very humbled."

Rotary International President John F. Germ announced that Rotary would increase its commitment and raise \$50 million per year over the next three years. Rotary has raised more than \$1.7 billion to fight the disease since 1985.

"Right now, every time a new case is identified, it really could be the last one the world ever sees," Germ said.

Gates told the crowd of nearly 24,000 that, starting 1 July, his foundation will extend its 2-to-1 match to cover up to \$50 million in donations to Rotary for each of the next three years. The match and donations to Rotary would add up to \$150 million per year over the next three years, which will add up to \$450 million to the fight.

The new funding will go toward polio eradication efforts such as disease surveillance, responses to any outbreaks, and the vaccination of more than 400 million children annually.
