*Today's Speakers are
Chuck Krietz & Steve Ramirez*

Seven years ago, when I joined SPRC it was because Patrick Velasquez invited me to a meeting. At the time, we were called Stockton East Rotary and we met at Elkhorn Golf Club. I have seen a good number of people leave the club and we have added a few, but the departures have exceeded the number of new members arriving. Percentage wise I feel as though we have shrunk by 20% or more since I started. We need to reverse the trend. This Friday instead of our normal speaker's program, Chuck Krietz will lead a discussion on what we can do to increase members. Your input is requested.

For the 2nd half of our program, yours truly, Steve Ramirez will give a vocational talk. I have had two different but related careers paths in my life. For the first half, I was a News Director and radio announcer starting in Eureka, California (continued on Page 3)

A message from President Lyn

Just when we thought things might calm down there was the shooting in Las Vegas. Everyone can help by keeping the people who were involved in prayer. Another valuable aid would be to donate blood to help the over 500 people who were injured.

Again, from last week's message, if you are able to help all the those affected by the hurricanes, please send a check to District 5220 Disaster Relief Corporation, P.O. Box 1099, Salida, CA 95384. All contributions are tax deductible.

I received a request for help within our community. "Haven of Peace (a women's and children's shelter) had some large tree limbs fall onto their property this last week and they need help. We're trying to get a team of Rotarians to help cut up the limbs and haul them away. We'll need chainsaws and trucks. Would you please ask your clubs to help, we're planning on meeting there at 10 a.m. next Saturday, Oct 7 - 7070 S. Harlan Rd., French Camp. Let me know at the meeting on Friday, if you are willing and able to help this Saturday.

When we stop and look to see where help is needed, we can be overwhelmed by the needs. Rotarians are always willing to step-up and make a difference. Consider where your energy and talents can be used, and do one thing this week. We would love to hear about what you are doing to make a difference...

President Lyn

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

(continued from page 1) before moving on to the Modesto area. In 1998, I started working for Media One which eventually became Comcast Spotlight. My current role is as a consultant working with local business on marketing plans involving video on cable television networks like ESPN, Fox News, Discovery etc. as well as digital outlets.

We hope this week’s meeting will help jumpstart a new membership campaign.
