Today's Speakers are Officers McCall and Grauman

In 2016, 10,497 people died from alcohol impaired driving crashes accounting for 28% of all traffic related deaths in the United States. That same year more than one million drivers were arrested for driving under the influence of alcohol or narcotics. Drugs other than alcohol are involved in about 16% of motor vehicle crashes. Marijuana use is increasing and about 13% of nighttime, weekend drivers have marijuana in their system. Marijuana users were about 25% more likely to be involved in a crash than drivers with no evidence of marijuana use. Today, Stockton Police Traffic Safety Officer McCall and Officer Dan Grauman will be providing us with local insight on traffic safety and driving under the influence prevention efforts in our city. The Stockton Police Department conducts DUI Checkpoints and other public awareness efforts to remind drivers to not drive impaired and make the streets safer for everyone.

A message from President Rick

Well another week in rotary flies by, we just had a great foundation dinner attended by 10 of our members.

Thank you all!

The Board meeting on Tuesday was a lively event we discussed many things, a lot to do with our activity towards the end of the year.

Bell Ringing for the Salvation Army has been arranged by Jason Spohn, he will have a sign-up sheet this Friday. Bell Ringing will be on December 8th at Dillards, our usual spot, please help by signing up.

We have a social event planned for December 14th Alice Dickson will have more details in the next week or two.

At our December 21st regular meeting we will be putting together gift packages for needy families.

The board has granted Chuck Wright a leave of absence, we wish him well and hope to see him after the Christmas Holiday break and thank you for continuing communication duties and bulletin editing.

Please do not forget the All-City Luncheon next Tuesday and if it is in your heart to bring some canned food to this Friday's meeting so we can donate it on behalf of Stockton Pacific Rotary, to the food bank. There are 15 members from our club attending the luncheon.

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Painting the way to peace

Yesenia Uribe, a Rotaractor in Ciudad Juárez, Mexico, attended a workshop held by the Institute of Economics and Peace last year, and was inspired to put into practice the message she learned that peace starts in small communities. Members of her Rotaract Club of Juárez Integra began an ambitious project to paint murals in graffiti-ridden public spaces to create a clean and safe environment. The 10 murals send a bold message about the power of Rotary and Rotaract working together to build peace.

Hey Fellow Members...Researchers have found that 92.7% of all adults like to participate in raffles. That means most of you like to help our club by being a participant in our weekly INCREDIBLE RAFFLE. Nancy Richter is our Raffle Queen and always has sheets of Raffle tickets for you at fabulous savings. A club our size means we all pitch in a couple of times each Rotary year with a prize for the raffle. The Reverend has a sign-up sheet that has been blessed. Sign up TODAY!
