25 August 2017

Today's Speaker is Chad Reed from Veteran's Resource Group UOP

University of the Pacific's Veteran Center first opened its doors for services on Veterans Day of 2015 and has been serving Pacific's Military and Veteran student population ever since. The Veteran Center is dedicated to ensuring that every Military and Veteran Student at each of Pacific's three-city campuses are fully integrated into campus life and are able to take full advantage of the broad range of intellectual and cultural activities that are offered at Pacific. Our primary missions are their smooth transition on to our campus, ensuring academic success, and assisting with finding meaningful employment prior to and following graduation.

A message from President Lyn

Aloha.

I am back. It was a great time, but we were ready to get back home. I did visit the Kahala Sunrise Club while I was there, and it was fun to see another newbie president running a meeting. I will share more about the club in the near future. Let's just say they were about our same size, were working on a community project and very friendly.

**HELP! We need somebody,
HELP! Not just any body,
HELP!**

My last message acknowledged Geoff Pate for serving when God and everyone else knew he needed a break. He was generous enough to fill-in for Daryus (who we elected as Treasurer) until he came back from a leave of absence. Well, Daryus is not sure when he will be able to join us on a regular basis, and we need a treasurer. This does require some knowledge of accounting – courses in basic accounting or experience working with financials, A/P, and receipts. Somebody needs to step up. If one of the current board members can do this, then we will need someone to step up and take that position. Another solution - I resign as President to become the Treasurer.

The board will meet on September 12, and at that time we will need to decide on a treasurer. Please let anyone on the board know if you are willing to take this important position. International and District dues have been paid – and the district treasurer was a bit testy about it being late. It begs the question, what other important items are not being taken care of because we don't have a treasurer???

HELP!

President Lyn

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Monday September 4th for Labor Day

(continued from page 1)

Throughout the school year, the Veteran Center partners with Pacific's Student-Veteran Organization, various campus departments, as well as local private and public organizations to implement a wide range of Veteran Center programming and events. These events are designed to inform the campus and local community on the current challenges and successes that are encountered by Pacific's Military and Veteran Students, as well as honor them for their service to our nation. This occurs through multiple types of faculty and staff development workshops, an annual Veterans Day Week of Events, as well as frequent local and regional community engagements.

University of the Pacific takes pride in offering small class sizes, dedicated teaching and experiential opportunities to undergraduates who seek preparation for career success. Pacific is a nationally ranked university with a long tradition of engaged faculty, hands-on research and vibrant residential life. The breathtaking main campus in Stockton, California is home to seven schools and colleges, with more than 80 majors and programs of undergraduate study.

Dear fellow Rotarians,

For 100 years, The Rotary Foundation has been the charity of choice for Rotarians all over the globe. Why? Because your gifts to the Foundation change lives. Without your support, Rotarians wouldn't have been able to help a hospital in Brazil purchase the equipment it needed to care for tiny newborns. Nor would Rotarians have had the funds they needed to tile bathtubs in Indonesia in an effort to fight dengue fever. We have accomplished so much during our first 100 years, and I am excited to see what the future holds as we embark on The Rotary Foundation's second century.

Everything The Rotary Foundation has achieved is a result of your support. We've invested more than \$4 billion in life-changing, sustainable projects that have made a real impact in communities near and far, like our ongoing campaign to eradicate polio. For more than three decades, members like you have worked tirelessly to host fundraisers for that campaign, vaccinate children, and raise awareness of polio.

As of this writing, only eight polio cases have been reported around the world in 2017. Last year, there were 37 — the year before that, 74. Our hard work is paying off. But we need your continued support to get us across that finish line, so keep raising awareness and keep raising funds. Your efforts will help us continue to protect the world's children from polio. The countdown to history is on.

The centennial year of The Rotary Foundation ended on a high note, and it's one worth celebrating. Thanks to the support of Rotarians around the world, the Foundation broke records last year, surpassing our fundraising goal by raising \$304 million in contributions! Your support makes a lasting impact on our communities because it empowers Rotary members to continue promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, and growing local economies all over the world.

It's been a memorable centennial, and one that has prepared The Rotary Foundation to keep Doing Good in the World for another century. With your continued support, we will.

Paul A. Netzel
Chair, The Rotary Foundation 2017-18
