Honoring WW2 Veterans A Visit to Normandy by Steve Ramirez

Allied casualties from D-Day are estimated at 10,000 including 6,603 Americans. Omaha Beach was where the worst fighting occurred.

This past June I was able to visit Normandy and see four major historical sights: Omaha Beach, Arromanches, Utah Beach, and Sainte-Mere-Eglise. I will share photos and give insights on exploring the region.

Visiting the museums at these landmarks allows you to see artifacts and the numerous stories of bravery and sacrifice. I will share a few tips on how to approach a trip to Normandy to best appreciate the historical significance of the area.
