Today's Speaker is Gene Harden from the Child Abuse Prevention Council

Gene is the Program Director and creator of The Lisa Project, one of many programs within the Child Abuse Prevention Council in Stockton. Through sights, sounds and smells, The Lisa Project is a unique, multi-sensory exhibit that allows the visitor to be immersed into the world of child abuse.

The goal of the exhibit is to raise awareness and educate a population at large. This impactful exhibit has toured throughout the state of California with its anti-child abuse message visiting 21 cities (continued on page 3)

A message from President Lyn

Mother Nature has finally helped with the fires in parts of Northern California. Our thoughts go out to all those who lost everything in those counties. While it is a reminder that stuff is just stuff, it is not that comforting when the reality of being homeless settles in.

Dr. Eunice Green answered the unasked question of why people tend to be so full of xxx If you weren't at the meeting last week, get someone who was to explain – preferably after you finish your lunch. There were many ideas for keeping us healthy in mind, body and spirit. I have taken on the challenge this week of drinking more water.

We are invited to join a World Polio Day Sunset Mixer on Tuesday, October 24th at 5:00 p.m. at the River Islands Welcome Center in Lathrop. This event is hosted by the Lathrop Sunrise Rotary Club. Food and beverages will be available. Dr. Joe Serra will make a short presentation with the latest Polio Eradication data. Pick up a flyer at the meeting Friday. If a few of our members do attend, please get a photo so we can submit it to the monthly district newsletter.

At today's meeting, the nominating committee will announce the slate of candidates for board members for 2018-2019. The election will be at our November 10th meeting as we will be dark on November 17 (pizza fundraiser on November 16) and November 24 (day after Thanksgiving).

LAST meeting to bring books for August school library project!!! Let's make the goal of 250 books.

President Lyn

THE FOUR-WAY TEST of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

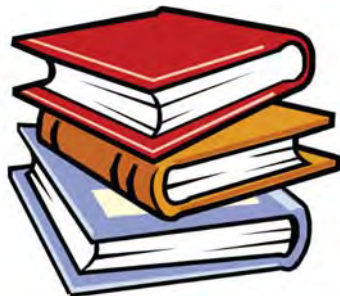

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

According to the United Nations, nearly 2.2 billion people live below the poverty line of \$2 per day, and the world needs 30 million new jobs every year to keep up with the growth of the global working-age population. During October, Rotary Economic and Community Development Month, take action within your communities to address root causes of poverty: unemployment, underemployment, lack of economic opportunity, lack of appropriate training, and the absence of social safety nets.

(continued from page 1) from Sacramento to Riverside and with more than 125,000 visitors. Gene and his wife Lindy, Exec Director of the Child Abuse Prevention Council, have been married for 11 years, have 5 children and two cats and are proud to call Stockton home for more than 30 years.
