**A message from President Lyn**

It seems like 'yesterday' that I said yes to the gathering of Past President's asking if I would be Club President for 2017/2018...and how quickly the time has come! It has been an exciting ride so far, and we haven't even had our first meeting.

Am I ready? Are you ready?

The International theme for this year is Rotary: Making a Difference. Check out the new banner at our meeting. Not only is Rotary making a difference, we are changing. The rules for club meetings and attendance have been opened to enable clubs to do what makes sense for their members. Looking at our roster, we have a significant portion who are "Rule of 85". To meet this requirement of age + years of club membership = 85 or more (with at least 20 years of membership), implies a person with wisdom but perhaps not a lot of energy for doing. This is something we will be discussing at our club assembly next meeting, July 14. Please be sure to attend and encourage others to attend that meeting.

The powers that be strongly encouraged incoming President's for 2017-2018 to set goals. Dutifully, I have done so. I will be sharing these goals at our club assembly and requesting that we work together to achieve these goals. Hint: Attendance at District functions is one of the areas, and the first District Seminar is coming on August 12. Save that date.

Goal: To complete the first meeting with everyone getting fed  
and no one getting hurt.

Yours In Rotary Service,

*Lyn Morlan*  
President SPRC
